

A Note About Outpost

Dear Parent,

You may have noticed that we are not offering Outpost Day Camp this year and I wanted to briefly explain why.

We are continually seeking to improve the programs we offer at Miracle Ranch, as well as make sure that we are responding to the needs of our community. As we reviewed enrollment in the last several years, we noticed a decline in interest in Outpost. We want to respond to these trends in order to keep up with the changing needs of today's families. With this change we are excited for the opportunity to pour more energy into our overnight resident camp and day camp programs. We'll be working even harder to ensure they are fun, safe, high quality, exciting, and Christ-centered camp programs for your children.

If your camper has been attending Outpost or was planning on doing so, I would like to encourage you to consider our resident camp program as an alternative. I am confident that your camper will have more fun and grow more in an overnight week than a week at day camp. There is just something different and special about an overnight experience at camp that we can't replicate in day camp. Most of the activities that were available as part of our Outpost program are already a part of our residential camp program—and much more!

If you have further questions about changes to our day camp program or would like to know more about our resident camp programs, please contact me at (253) 851-4410 or dgemmer@cristacamps.com.

Thank you for your continued connection with CRISTA Camps and Miracle Ranch. We're excited to see you and your camper this summer!

Sincerely,

Darin Gemmer
